

Hold an **Hftea** party...

... and help people with learning disabilities live life to the full.

Make a difference with tea, cards and cake

Pop the kettle on for Hft

It's an easy and fun way to fundraise!

November is Hftea month! During the month, and throughout the run up to Christmas, we hope lots of supporters will hold tea parties and sell Christmas cards to help us raise vital funds.

Every penny raised will help us support people with learning disabilities and empower them to reach their full potential, with opportunities to live as independently as possible, make friends and enjoy a social life, find work and more.

Organising your tea party is a piece of cake!

If you'll pop the kettle on, we'll send you 10 packs of Christmas cards* – or more if you wish – with no postage to pay. We also have lots of other materials

available by post or online to help promote your event - including posters, party invitations, coasters, bunting and recipe cards for delicious cakes and biscuits to tempt your party guests.

Everyone loves a cuppa and it's a really easy way to fundraise so why not request your Hftea party pack today and start your party planning right now? Please also visit **www.hft-trading.org.uk** to see our full selection of cards and new gift range.

Have fun and thanks so much for your support!
