people with learning
disabilities and autism
with tea and cake.

**Every cuppa, every cake
and every pound you raise
makes a difference!**

Pop the kettle on for Hft and support people with learning disabilities and autism.

Whether you're throwing a Mad Hatter's tea party or a garden tea party, when it boils down to it, we're delighted you could hold a tea party to help raise vital funds for people with learning disabilities and autism.

Around 1.5 million adults in the UK have a learning disability, many of whom will need support in order to live and have choices in life.

Hft is a national charity that supports people with learning disabilities and autism. We offer people the kind of help, support and encouragement that helps them have choice to live the best life possible.

This can range from finding someone a job, to helping them make friends, to adapting their home so that they can enjoy new levels of independence.

Now, more than ever, we need your help to ensure that we can continue to provide the best support.

You can host a tea party anywhere you fancy, at home, at friends or in the park.
