

Are you a streamer or a gamer?

Streaming for Hft is a brilliant and fun way to fundraise – broadcasting a video in real-time on the internet. Streaming your talents to an audience that could be on the other side of the world is an exciting way to do fundraising whilst showcasing your talents.

You could:

- Hold a gaming marathon
- Host a crafting stream
- Host a yoga class
- Do a bake-a-thon
- Hold a music night

What do you need?

- Streaming platform, such as Facebook, Instagram, Twitch or YouTube, or software you may need such as [OBS](#) or [Streamlabs](#)
- Good internet connection – WIFI or 4G, 4-6 megabits a second
- PC, laptop or smartphone, check you have a microphone and a camera that is good enough for your stream.
- Consider extra hardware, do you need a better microphone or camera, could you do with a ring light so your lighting is better?

Get your game on

- Set up your [JustGiving](#) page or use a fundraising tool for your streaming platform like [Tiltify](#)
- Pick a date for your stream and decide what you're going to play or talent you are going to stream
- Set up your event via your chosen streaming platform
- Connect your stream to your fundraising page
- Tell your community, via social media and/or your other streams
- Check out our downloads – logos and overlays
- Livestream! Let the cameras roll and have fun!
