Host an Hftea Party...

For a **tea**-riffic time with tea and cake, all to help raise funds to support learning disabled adults.

Every cuppa, every cake and every pound raised will make a real difference!

Host a festive Hf**tea** party and support learning disabled adults.

This December, you're invited to host a festive HFT**ea party! This is a chance for learning disabled adults, services, friend's, families and our wider community to come together and enjoy the festive season.**

Around 1.5 million adults in the UK have a learning disability, each with their own ambitions, interests and ideas about what makes a good life. At Hft, we work alongside learning disabled adults to create more opportunities for choice, independence and connection. Whether that's finding a job, making a home their own or trying something new, it's about supporting people to live life on their terms. Your support creates more opportunities for learning disabled adults to live the best life possible.
